Stewardship Corner

Christian stewardship takes a positive view on money. It sees money not only as a medium of exchange, but as symbol of the person who has it. We are revealed through the actions of how we acquire it, use it, and share it.

LET'S PASS MEASURE 1

Are you planning to vote on Measure 1, The Human Life Amendment? Do you want to make sure your vote gets counted? Do you want to make sure you will be able to get to the polls and vote in Nov.? How much trust do you have in the weather here in ND? Do you wish to keep ND a pro-life State?

The ND Choose Life Committee, through their Absentee Ballot Project, is distributing Absentee/Mail Ballot Application Forms so anyone wanting to make sure their vote gets counted can vote early.

MEASURE 1 NEEDS YOUR "YES" VOTE FOR THREE REASONS:

To protect the laws that we, as ND residents, have already voted for To protect our State's Constitution, as it is written, from being altered by any out of state pro-choice agencies, And finally, To insure that our State remains a pro-life State.

Measure 1 is an Amendment, it is not a law. It will not change the laws we already have. Our legislators, drew up this amendment in order to make sure our pro-life laws are protected from being twisted or misunderstood as to what we, as ND citizens, have already declared to be our intent. Out of State pro-choice agencies will soon be flooding ND with false claims as to what Measure 1 will do to our State. Their hope is to confuse our voters and get them to vote against Measure 1. By voting Absentee Ballot,
