Stewardship Thought

As Christian stewards, we are followers of Jesus, however, we are not spared the inevitable temptations that are part of the human condition. Today's Gospel reading says we cannot serve two masters and to stop worrying about our human needs. We must seek first the Kingdom of God.

Respect Life

The early feminist leader Elizabeth Cady Stanton said, "When we consider that women are treated as property, it is degrading to women that we should treat our children as property to be disposed of as we fit." Authentic feminism is pro-life!
